

Safeguarding Adults Workshop

Aim of Training

To provide understanding of the knowledge required to support an individual at risk of abuse or neglect in accordance with relevant Safeguarding protocols.

This course is for

Health & social care workers who support, or come into contact with vulnerable adults. Staff who require evidence of working to Common Induction Standard 6: Principles of safeguarding in health and social care (2010).

Content

- Definition of Abuse
- Types of Abuse
- Forms of Abuse
- Signs of Abuse
- Four point approach
- Alerter's flowchart
- Legislation
- Completing body maps

Structure

Designed to incorporate the content of the safeguarding adults knowledge set released by Skills For Care in 2007, the course is a 3-hour direct training interactive workshop.

Learning Outcomes

- Understand the nature of abuse and neglect
- Recognise the signs & symptoms of abuse and neglect
- Describe how to monitor individuals at risk of abuse
- Understand how to respond to suspected abuse or neglect
- Outline how to access current Legislation, Policies & Procedures e.g. Whistle Blowing

Assessment

Achievement of the learning outcomes is assessed internally. All assessment criteria must be met in order to achieve the learning outcomes.

Progression

Direct progression onto the Safeguarding Trainer programme.

Entry Requirements

The minimum age limit for learners wishing to take this programme is 16 years. It is essential that applicants have a minimum of Level 2 Key skills in literacy, communication and ICT.
